RE: CUSTOMIZED WEBSITE AND ACCESS TO BENEFIT INFORMATION

Dear Participants:

The Trustees of the Laborers Metropolitan Detroit Health Care Fund are pleased to announce that you may access your benefit information via the Internet. You may visit the customized web site at **www.metrodetroitlaborers.org** or scan the QR Code to the right to view and print benefit-related documents and forms and obtain other useful information. You may continue to obtain paper copies of all plan documents from the Fund Office and the Local Union.

In order to realize the best compatibility with our programming, we recommend that you download the latest version of the Adobe Acrobat Viewer, at no charge, by visiting the Adobe web site at the following link: **<https://get.adobe.com/reader>**

Prior to obtaining the Acrobat Reader, we also recommend confirming that you are using latest version of the Microsoft Edge, Mozilla Firefox, Google Chrome or Apple Safari web browser, whichever you prefer, to provide the best browsing experience.

In cooperation with TIC Midwest, the Third-Party Administrator, you may also view your own personal account information via a secured Benefit Inquiry Site (BIS). The BIS will permit you to verify that the most accurate personal information about you and your family is on file. In addition, you can check the internal records for information regarding employer contributions made in your behalf.

The reverse side of this document explains the procedures you will follow to access and log on to the Benefit Inquiry Site and to obtain a secured password.

We hope that you find this new service easy to use and beneficial when you need to inquire about benefit information and to view your current benefit status. Should you have any questions related to web site access, please do not hesitate to contact Greg Smith (gsmith@ticmidwest.com, 517-327-2148) or Jamie Kline (jkline@ticmidwest.com, 517-327-2149) in the Lansing Fund Office.

If you have specific questions related to your benefits, please contact the Medical Claims Department at the Fund Office, toll-free, at 800-228-0048.

Sincerely,

BOARD OF TRUSTEES
LABORERS METROPOLITAN DETROIT HEALTH CARE FUND
